

SAV-A-LIFE FRIENDS

WHAT: BUILDING FUND DRIVE

WHEN: June 25, 2010 – September 25, 2010

WHY: Our programs have expanded and we still plan to expand more. (WE HAVE AN ULTRA-SOUND MACHINE BEING DELIVERED ANY DAY). We are out of space. It will be cheaper for us to purchase rather than find a larger place to rent. We have located a property. We have some financing available if needed.

WHO: We need you to consider what you can pledge or donate to this DRIVE. We have already received a donation of \$11,000.00 to get our drive underway, leaving us with a need for an additional \$85,000. This is a very reachable goal and we know that God will provide thru YOU.

WHAT IF: All funds received will be placed in a Building Fund Account. If we do not reach our goal and are unable to purchase this building, we will gladly refund your donation or retain it for an on-going building fund. IT WILL BE UP TO YOU and AS PER YOUR REQUEST.

WOW!! - God has really blessed us and continues to open doors for us. He is so faithful to provide our needs - "Just On-Time". If He has spoken to you and you feel that He has asked you to help – PLEASE send us a check or pledge to the following address:
